Fair Housing Training for the general public

Tenants:

- Have you ever been turned down for housing?
- Have you had problems with another tenant?
- Have you ever felt that you have been treated poorly by a prospective landlord because of your age, because you have children, or because of your race?
- Do you have a disability and need an accommodation where you live, such as a ramp?

Landlords

- Do you own rental property and want to avoid fair housing complaints?
- Would you like to know what is covered under the fair housing act?
- Do you want to learn about accommodations for disabled residents?

Come learn what your rights are!
