

TACOMA HOUSING AUTHORITY

October 22, 2009

Dear Stakeholder,

I am pleased to invite you to join us for dinner and a discussion of our exciting plans for old Hillside Terrace at the 1800 and 2500 blocks:

Thursday, October 29, 2009
5:00 PM – 7:30 PM
Goodwill Industries
Milgard Work Opportunity Center
714 South 27th Street
Tacoma, WA
Multi-Purpose Room 338

As you may know, we hope to tear it down and rebuild a new Hillside Terrace that will be:

- affordable
- environmentally friendly
- attractive
- with social services on site

We are planning this project now. Perhaps you have already attended some of the planning meetings. We are getting ready to apply for the money we will need. Our application is due in early November.

At this meeting on October 29, we will show you our preliminary plans. They are based on comments we have heard from residents and neighbors. You can hear from our architects as well as staff. You will be able to ask questions and offer your own suggestions.

We will have refreshments from local businesses at this meeting.

The meeting room is accessible to persons with disabilities.

THA will also provide Vietnamese, Cambodian, Korean, Laotian, and Russian language interpreters at the meeting.

If you have any questions, please me at (253) 207-4435 or sclair@tacomahousingl.org.

I hope you can join us on October 29th.

Cordially,

TACOMA HOUSING AUTHORITY

Steve Clair
Project Manager
